Does the current design meet your expectations for this important safety project?

Yes No Please explain why?

The design may include amenities for viewing wildlife, access to trails, parking, etc. Alaska Department of Transportation and Public Facilities (DOT&PF) and Alaska Department of Natural Resources (ADNR) may not obtain sufficient funds to operate and maintain all these features. Please rank these features in order of importance to you.

Feature	Most Important 1	Somewhat Important 2	Neutral 3	Less Important 4	Least Important 5
Emergency/Search and Rescue Water Access					
Non-motorized Public Access to Turnagain Arm					
Parking					
Parking for oversize vehicles					
Restrooms					
Trailhead access to Turnagain Arm Trail					
Other (add your own):					

If you need more space, continue your comment on the back of the page
